³ Jones Day calculated the average hourly rate for Comparable Non-Bankruptcy Invoices by dividing the total dollar amount billed by each class of timekeepers during the applicable period by the total amount of hours billed by such timekeepers during the Compensation Period (excluding all data from timekeepers practicing primarily in a bankruptcy group or section).

⁴ Jones Day calculated the average hourly rate for timekeepers who billed the Debtors by dividing the total dollar amount billed by each class of timekeepers by the total number of hours billed by such timekeepers during the Compensation Period.

TO THE HONORABLE ROBERT D. DRAIN
UNITED STATES BANKRUPTCY JUDGE:

Jones Day, special counsel to the above-captioned debtors and debtors in possession (the “Debtors”), hereby files its fifth interim application (this “Application”), pursuant to sections 330(a) and 331 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Rule 2016-1 of the Local Rules for the United States Bankruptcy Court for the Southern District of New York (the “Local Bankruptcy Rules”), for (i) allowance of compensation in the amount of \$882,115.82 (as discounted from \$1,015,158.00) for professional services rendered for the Debtors and (ii) reimbursement of actual and necessary expenses incurred in the amount of \$21,909.83, for the period from February 1, 2021 through and including May 31, 2021 (the “Compensation Period”). In support of this Application, Jones Day respectfully represents as follows:

Background

General Background

1. On September 15, 2019 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are authorized to continue to manage and operate their businesses as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee has been appointed in the Debtors’ chapter 11 cases (the “Chapter 11 Cases”) as of the date hereof.

2. Background information regarding the Debtors and these Chapter 11 Cases, including the Debtors’ business operations, corporate structure, financial condition and the events leading up to these Chapter 11 Cases, is set forth in the *Debtors’ Informational Brief* filed on September 16, 2019 [ECF No. 17].

3. On December 5, 2019, the Debtors filed an *Application of the Debtors for an Order Authorizing them to Retain and Employ Jones Day as Special Counsel Nunc Pro Tunc to the Petition Date* [ECF No. 601].

4. On December 20, 2019, this Court entered an *Order Authorizing the Debtors to Retain and Employ Jones Day as Special Counsel Nunc Pro Tunc to the Petition Date* [ECF No. 690].

5. On April 8, 2020, the Court entered an order appointing an independent fee examiner (the “Fee Examiner”) in these Chapter 11 Cases [ECF No. 1023].

6. Jones Day has been representing the Debtors since 2004 in connection with intellectual property prosecution and litigation, including Hatch-Waxman patent litigation and related matters. Additionally, over the years Jones Day has provided the Debtors with general intellectual property related counseling and opinion work. Over the course of the engagement, Jones Day attorneys have worked closely with the Debtors’ management and in-house counsel and, as a result, have acquired extensive knowledge of the Debtors’ history, intellectual property portfolio, litigation needs and related matters.

7. During the Compensation Period, Jones Day has continued providing the Debtors with targeted advice on discrete matters of patent and intellectual property law. Additionally, Jones Day continued representing the Debtors in connection with several active patent litigation matters. Jones Day now seeks compensation for services rendered and reimbursement of expenses incurred in connection with the aforementioned representation.

Statements by Jones Day

8. Jones Day makes the following statements consistent with the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases, effective November 1, 2013* (the “U.S.

Trustee Guidelines”) and the *General Order M-447, Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases* (the “Local Guidelines”).

Statements by Jones Day Pursuant to Section C(5) of the U.S. Trustee Guidelines – Certain Fee and Rate Matters

9. Consistent with the pre-petition practice, Jones Day agreed to charge the Debtors lower billing rates than the standard rates customarily billed by the firm. For 2021, Jones Day agreed to charge the Debtors previous year’s billable rates (*i.e.*, Jones Day used 2020 billable rates for 2021 in calculating amounts due for legal services performed), and the current rates are also subject to a thirteen percent (13%) discount.

10. None of the hourly rates of Jones Day’s professionals and paralegals included in this Application have been varied based on the geographic location of these Chapter 11 Cases.

11. This Application includes minimal time (4.8 hours) related to reviewing time records to ensure the protection of any privileged or other confidential information and revising invoices that are separate from the reasonable fees incurred for preparing the Monthly Fee Statements (as defined below) or this Application.

Statements by Jones Day Pursuant to Section C(6) of the U.S. Trustee Guidelines — Information About Budget and Staffing Plans

12. Jones Day and the Debtors agreed to a budget for each significant litigation matter being handled by Jones Day during the Compensation Period. The fees sought in this Application are in line with the budget discussed with and approved by the Debtors, with the exception of the Collegium Pharmaceuticals matter. The Collegium Pharmaceuticals matter involved a number of unexpected projects including supplemental briefing and drafting an amended

complaint. For matters for which no budget was agreed upon, the work flow was not as predictable and hours expended were not as susceptible to estimation.

Jurisdiction and Venue

13. The Court has subject matter jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Relief Requested and Reasons Therefore

Authority for Relief

14. Jones Day makes this Application (a) pursuant to sections 330(a) and 331 of the Bankruptcy Code, Bankruptcy Rule 2016 and Local Bankruptcy Rule 2016-1; and (b) consistent with (i) the U.S. Trustee Guidelines, (ii) Local Guidelines and (iii) the *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* [ECF No. 529] (the “Interim Compensation Procedures Order” and, collectively with the U.S. Trustee Guidelines and the Local Guidelines, the “Guidelines”).

Request for Interim Allowance of Compensation and Reimbursement of Expenses

15. Jones Day hereby seeks interim (i) allowance of compensation in the amount of \$882,115.82 (as discounted from \$1,015,158.00) for professional services rendered for the Debtors and (ii) reimbursement of actual and necessary expenses incurred in the amount of \$21,909.83 for the Compensation Period. This is the fifth interim application for reimbursement of fees and expenses filed by Jones Day in connection with the Debtors’ Chapter 11 Cases.

16. Pursuant to Local Bankruptcy Rule 2016-1, section A(3) of the Local Guidelines and Section C of the U.S. Trustee Guidelines, prefixed to this Application and incorporated herein are the following:

- (a) a cover sheet summarizing the contents of this Application;
- (b) a schedule identifying all Jones Day professionals and legal support staff who performed services in these Chapter 11 Cases during the Compensation Period, including, with respect to each professional or paraprofessional, as applicable, his or her title or position, date of first admission, number of hours and fees billed, current and initial billing rate and the number of rate increases (if any) since the commencement of these Chapter 11 Cases;
- (c) a summary of actual and necessary expenses that Jones Day incurred during the Compensation Period in connection with the performance of professional services for the Debtors, and for which it seeks reimbursement herein;
- (d) computation of blended hourly rate for persons who billed time during the Compensation Period; and
- (e) a summary of total compensation and expenses previously awarded by the court.

17. In addition, (a) the certification of John J. Normile with respect to the Application in accordance with the Local Guidelines is attached hereto as Exhibit A; (b) a table identifying the number of hours and amount of fees requested by each Jones Day timekeeper is attached hereto as Exhibit B; (c) a summary of the expenses incurred by Jones Day during the Compensation Period in performing professional services to the Debtors and the bankruptcy estate is attached hereto as Exhibit C; (d) a table identifying, by project category, the number of hours worked and amount of fees requested as compared to the agreed-upon budget is attached hereto as Exhibit D; and (e) detailed time records for the Compensation Period are attached hereto as Exhibit E.²

² The time records included in Exhibit E have been minimally redacted to protect privileged information.

Services Provided by Jones Day by Project Category

20. The following is a brief description of the principal activities of Jones Day's professionals during the Compensation Period for each project category, consistent with the requirements of the Interim Compensation Procedures Order, section C(8)(c) of the U.S. Trustee Guidelines and section A(4)(iii) of the Local Guidelines. For each project category, the narrative summary provides a description of the project, its necessity and benefit to the estate and its status, including any pending litigation for which compensation and reimbursement are requested. Exhibits D and E provide the remaining information required by the Interim Compensation Procedures Order, section C(8)(c) of the U.S. Trustee Guidelines and section A(4)(iii) of the Local Guidelines, including, for each project category, (a) the identity of each person providing services on the project, (b) a statement of the number of hours spent and the amount of compensation requested for each timekeeper on the project, and (c) a detailed description of each individual's activities.

(1) *Purdue Pharma L.P., et al. v Collegium Pharmaceuticals (876.8 hours)*

21. During the Compensation Period, Jones Day professionals advised the Debtors with respect to this on-going litigation matter, including drafting and revising the lift stay motion and other submissions to the Court in support thereof; preparing for and attending multiple status conferences before the Court; drafting and revising supplemental submissions to the Court concerning pending motions to stay and to strike; reviewing and analyzing documents produced by defendants and third parties; reviewing and analyzing Collegium's motion to dismiss, and drafting and revising the first amended complaint filed by the Debtors following such review and analysis; and performing legal research on various topics. Jones Day further advised the Debtors with respect to strategic decisions in connection with this litigation.

(2) *Purdue Pharma L.P. et al. v. Intellipharmaceuticals Corp. (9.8 hours)*

22. During the Compensation Period, Jones Day professionals advised the Debtors with respect to this on-going litigation matter.

(3) *Strategic Corporate Advice (27.7)*

23. During the Compensation Period, Jones Day professionals dedicated time to preparing for and participating in numerous meetings and telephonic conferences with the Debtors and their primary counsel and preparing various legal memoranda related to representation of the Debtors. Jones Day professionals also considered overall litigation strategy and other intellectual property issues in light of the bankruptcy proceedings.

(4) *Accord Healthcare Inc. (196.2 hours)*

24. During the Compensation Period, Jones Day professionals advised the Debtors with respect to this on-going litigation matter, including reviewing and analyzing documents produced by defendants in said matter, reviewing and analyzing defendant Accord Healthcare's answer and counterclaims, and drafting and revising the documents to be filed by the Debtors following said review and analysis. Jones Day further advised the Debtors with respect to strategic decisions in connection with this litigation.

(5) *Retention Matters (63.8 hours)*

25. During the Compensation Period, Jones Day professionals prepared Jones Day's fourth interim fee application and four Monthly Fee Statements. Jones Day professionals also spent time reviewing voluminous conflict reports and preparing supplemental disclosures in connection with Jones Day's continued retention as special counsel.

(6) *The Requested Fees Are Reasonable*

26. The amount of fees sought by Jones Day is appropriate given the issues presented by the Debtors' Chapter 11 Cases. In addition, these fees are commensurate with fees

that other attorneys of comparable experience and expertise have charged and been awarded in similar chapter 11 cases. Jones Day's work on the aforementioned active litigation matters, including advising the Debtors with respect to preservation of rights in pending litigation matters in light of the bankruptcy proceedings, is beneficial to the Debtors, the Debtors' estates and other parties in interest and furthers the Debtors' ultimate goal of maximizing the value of the estates for the benefit of all parties in interest.

Expenses Incurred By Jones Day

27. Section 330 of the Bankruptcy Code authorizes "reimbursement for actual, necessary expenses" incurred by professionals employed in a chapter 11 case. 11 U.S.C. § 330. Accordingly, Jones Day seeks interim allowance of reimbursement of expenses incurred during the Compensation Period, in the amount of \$21,909.83. During the Compensation Period, the bulk of expenses was incurred in connection with consultant fees. Incurrence of these expenses was essential to the preservation of the Debtors' assets during the bankruptcy proceedings. The expenses for which Jones Day seeks reimbursement are reasonable, actual and necessary, and are of the kind customarily billed to non-bankruptcy clients.

28. Consistent with section C(13) of the U.S. Trustee Guidelines and sections A(4)(vi) and A(5)(iii) of the Local Guidelines, the expense details attached as Exhibits C and E hereto identify the expenses sought to be reimbursed herein in chronological order, including for each expense (a) the amount, (b) a description and pertinent detail, (c) the date(s) incurred, (d) the Jones Day professional or paralegal that incurred the expense (if relevant) and (e) the reason for the expense.

29. In accordance with the requirements of the Bankruptcy Code, the Bankruptcy Rules and the Guidelines, Jones Day maintains the following policies with respect to expenses for which reimbursement is sought herein:

- (a) No amortization of the cost of any investment, equipment or capital outlay is included in the expenses. In addition, for those items or services that Jones Day purchased or contracted from a third party (such as consultants), Jones Day seeks reimbursement only for the exact amount billed to Jones Day by the third party vendor and paid by Jones Day to the third party vendor.
- (b) Photocopying by Jones Day, to the extent charged, was charged at 10 cents per page. To the extent practicable, Jones Day utilized less expensive outside copying services.
- (c) The time pressures associated with the services rendered by Jones Day frequently required Jones Day's professionals and paralegals to devote substantial amounts of time during the evenings and on weekends. Jones Day has not charged the Debtors for secretarial and other staff overtime expense.

30. Jones Day believes that this Application reflects all expenses incurred during the Compensation Period. To the extent any such expenses have not yet been billed as of the date of filing of this Application, however, due to, for example, delays in the applicable billing cycle, Jones Day reserves the right to supplement this Application to include such expenses at or prior to the hearing thereon or to seek reimbursement of such expenses in connection with the next interim compensation period.

Adjustment to Fees and Expenses

31. Consistent with its own internal policies and to comply with the "reasonableness" requirements of section 330 of the Bankruptcy Code, Jones Day has reviewed the service descriptions and expense detail associated with the Compensation Period and has determined that certain fees should not be charged to the Debtors. Jones Day wrote off a total sum of \$4,607.50 during the Compensation Period. The adjustments made by Jones Day result from, among other things: (a) the reduction (or elimination) of fees where the time charged for the particular services exceeded the amount of time that, in Jones Day's estimation, it should have taken the lawyer or the paraprofessional to render the services; (b) the deletion of charges for

duplicative or nonproductive services; and (c) other adjustments considered appropriate by Jones Day or required by applicable rules.

The Requested Compensation Should Be Allowed

32. Section 330(a)(1) of the Bankruptcy Code provides that the Court may award a professional person employed under section 327 or 1103 of the Bankruptcy Code:

- (A) reasonable compensation for actual, necessary services rendered by the trustee, examiner, ombudsman, professional person, or attorney and by any paraprofessional person employed by any such person; and
- (B) reimbursement for actual, necessary expenses.

11 U.S.C. § 330(a)(1). Section 330(a)(3)(A) further provides the following standards for the Court's review of a fee application:

In determining the amount of reasonable compensation to be awarded to an examiner, trustee under chapter 11, or professional person the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including—

- 1. the time spent on such services;
- 2. the rates charged for such services;
- 3. whether the services were necessary to the administration of, or beneficial at the time the service was rendered toward the completion of, a case under this title;
- 4. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- 5. with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- 6. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3)(A).

33. Jones Day respectfully submits that it has satisfied the requirements for the allowance of the compensation and reimbursement of expenses sought herein. The services described above were necessary to the administration of the Debtors' Chapter 11 Cases and were beneficial to the Debtors and parties in interest. Jones Day's services were often performed in a minimum amount of time and commensurate with the complexity of the matters facing the Debtors. Further, the compensation sought by Jones Day is reasonable because it is based on the customary compensation charged by comparably skilled practitioners outside of bankruptcy.

Review by the Debtors

34. The Debtors and the U.S. Trustee have received copies of the Monthly Fee Statements filed in these Chapter 11 Cases and had the opportunity to review the invoices for the Compensation Period.

Notice

35. Notice of this Application has been provided in accordance with procedures set forth in the Interim Compensation Procedures Order and the *Second Amended Order Establishing Certain Notice, Case Management, and Administrative Procedures* [ECF No. 498]. Jones Day respectfully submits that no other or further notice need be provided.

WHEREFORE, Jones Day respectfully requests that the Court enter an order:

(i) approving this Application; (ii) allowing on an interim basis compensation in the amount of \$882,115.82 for professional services rendered by Jones Day during the Compensation Period; (iii) allowing on an interim basis reimbursement of expenses of \$21,909.83 incurred by Jones Day during the Compensation Period; (iv) authorizing and directing the Debtors to pay the approved fees and expenses to Jones Day; and (v) granting such other and further relief to Jones Day as is just and proper.

Statements by Jones Day Pursuant to Section C.5 of the U.S. Trustee Guidelines

4. The following statement is provided pursuant to section C.5 of the U.S. Trustee Guidelines:

- (a) **Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period?

Answer: Prior to the Petition Date, the Debtors and Jones Day agreed to a discounted fee arrangement. Jones Day and the Debtors agreed to maintain this discounted fee arrangement following the Petition Date.

- (b) **Question:** If the fees sought in the fee application as compared to the fees budgeted for the time period covered by the fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: The fees sought in this Application do not exceed the budget contemplated for each significant litigation matter during the Compensation Period discussed with and approved by the Debtors, with the exception of the Collegium Pharmaceuticals as shown on Exhibit D attached hereto. The reasons for the variance with respect to the Collegium Pharmaceuticals matter were discussed with the client and resulted from unanticipated projects that came up. For matters for which no budget was agreed upon, the work flow was not as predictable and hours expended were not susceptible to estimation.

- (c) **Question:** Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Answer: No.

- (d) **Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing or revising invoices other than reasonable fees for preparing fee applications? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.) If so, please quantify by hours and fees.

Answer: No.

- (e) **Question:** Does the fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Answer: Yes, the application includes 4.8 hours spent on redacting privileged and confidential information from the time records.

- (f) **Question:** If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: This Application does not include any rate increases for Jones Day's professionals' fees implemented during this Compensation Period.
